CAMP RULES & PACKING INFORMATION:

We have five simple rules that we all live by at Camp to make sure that camps are fun, safe and a great experience for everyone!

1. **Be where you're supposed to be when you're supposed to be there.**

All meals, meetings and activities are mandatory. Campers must stay within the camp boundaries at all times.

2. **Respect other people and their belongings.**

Fighting, hazing, harassing or using foul language is NEVER permitted. Campers are automatically sent home for stealing or "raiding" (raiding is disrupting or damaging someone's belongings).

3. **No illegal stuff.**

All articles listed in the leave at home section must NOT be brought to camp!

4. **No guys in or around girls' space and no girls in or around guy's space.**

5. **You break it you bought it.**

All damages to camp property must be paid for prior to leaving camp.

These rules are important and we take them seriously! Anyone who breaks them may be sent home early from camp. Parents are responsible for the transportation of students who are sent home.
